# MENU

Cheba Hut is a “toasted” sub concept that has been curing munchies since its start in 1998. Founder Scott Jennings decided to showcase the harmony between great tasting food and ... well, a very specific counter-culture.

We have the best BREAD in the business and nothing is fried at the Cheba Hut! Our motto is, “where the only thing fried is an occasional customer.” The menu features over 25 signature sandwiches, as well as a variety of rice krispy treats, salads and munchies. Most locations also offer craft beer bars that feature local beers from neighborhood breweries.

Our huts can be found in Arizona, Colorado, California, Oregon, New Mexico, and Wisconsin. What really sets Cheba Hut apart, though, can only be experienced in our shops. We combine home grown food with real people in a relaxed environment.
