WELCOME TO FRATELLI PIZZA...

where we bake pizzas the RIGHT way - In a stone deck oven. Every Fratelli Pizza starts life as home made dough right here in our kitchen and is then proofed to perfection, hand tossed, mated with the freshest ingredients & baked to crispy, golden perfection. Our housemade pizza sauce uses only tomatoes from Stanislaus County, California. We use only Wisconsin Whole Milk Mozzarella. Our methods might take a little longer, but is one of the reasons our pies are super tasty. Your patience will be rewarded with the best pizza available in Flagstaff.

NOTICE: All orders subject to a 10% service fee. This service fee is in place of tips and goes to pay our employees a living wage. If you have questions about this please see our poster at the counter or ask an employee for more information.
