WHAT IS AN ACAI BOWL?

(Pronounced AHH-sigh-eee)

We offer Açaí Bowls two ways! Our Signature Soft Serve Bowl is an organic frozen blend of Açaí Berry, apple juice, beet juice, lemon juice and cane sugar. Our Blended Bowl – the traditional way – is Açaí Berry blended with frozen fruits and a non-dairy milk or juice. Both ways are topped with fruit, granola, honey and other healthy ingredients.

Rich in Antioxidants, these delicious bowls offer something for everyone. Everything is Dairy-Free and we offer a Gluten-Free, Vegan granola, available upon request. You can also substitute agave nectar for honey.
