## Message from Chef Lisa Dahl

*During this time of crisis, we feel that it is critical for those of you who love our food to know that we are committed to working diligently to provide healthy and nutritious comfort food to you. We believe in the power of soup, salad & homey foods that will be enjoyable as you abide by the CDC guidelines while dealing with this current situation. We pray for everyone in our beautiful community, as well as in the world, to maintain the highest spiritual outlook, no matter what their beliefs, and that the energy and collective consciousness will get us through this global crisis.*
